

Governors Council

Report of:	Gill Pope, Public Governor
Title:	Patient and Public Involvement (PPI) Forum feedback
Date:	7 th March 2008
Action:	For attention

Summary

The following is an update on the recent meeting, with issues discussed as follows:

- The main item discussed was the PPI assessment of the JPUH. This was formally approved and it will be provided to the Directors. (Note: The Director of Nursing & Patient Services provided a full update on action taken at the meeting of the Board of Directors in public on 25th January, 2008)
- The one follow up report related to the inspection visit to Lowestoft Hospital
- Local Involvement Networks (LINKs) issues will be an ongoing debate but the PPI Forum will cease to exist on 31st March
- The Annual General Meeting will be held on 17th March at the Burrage Centre, JPUH. This will be the last meeting and the PPI Forum hopes as many members as possible will attend.

Recommendation

The Governors are asked to note this update.
